In accordance with Grand Junction Code of Ordinances, 15.44, the 2012 International Fire Code, and NFPA 160:

The applicant hereby requests a permit for live performance flame effect within the City of Grand Junction and/or the Grand Junction Rural Fire Protection District, subject to the following requirements, together with any and all legal requirements that may apply.

Applicant is required to provide the following information before permit is issued:

- Site Plan with a legend. The Site Plan shall include a dimensional plot map of the site which shall indicate:
 1. Location of flame effect device(s), controls, and flame effect operator;
 2. Area affected by the flame effect including all six (6) site zones, i.e. below (floor), above (ceiling), front, back, left, and right sides;
 3. Fire safety perimeter line delineating the hazard area both from the audience and from combustibles;
 4. Location of the audience;
 5. Clearance to combustibles;
 6. Storage and holding area of fuels;
 7. Fuel application and use areas;
 8. Means of egress from both the flame effect area(s) and audience area(s) to the public way;
 9. Location of appropriate supplemental fire protection features including trained fire safety staff, fire extinguishers, "No Smoking" signs, barricades, etc.;
- A list of all effects to be used along with a brief description of each and a detailed description of each performance using each different effect
- Proof of Comprehensive General Liability Insurance (at least \$1,000,000 per occurrence)

INSPECTION REQUIREMENTS

A Fire Department inspection of the display area is required. Applicant must call the Fire Department at 970.549.5800 to schedule an inspection. Business hours are 8AM to 5PM, Monday through Friday.

Inspector Initials:	Date:	Items Required for On-Site Inspection:
		Visual inspection of each flame effect device (When requested a demonstration shall be provided)
		Documentation that all combustible materials used in construction of flame effect and used in proximity of flame effect have been rendered flame retardant
		Fire department personnel with department radio shall be on standby at fixed fire suppression system manual activation location during flame effect(s) Staff time to be paid at time of permit application at \$50.00 per hour.

ALL REQUIRED ITEMS MUST BE COMPLETED AND ACCEPTABLE TO THE INSPECTOR AT THE SCHEDULED ON-SITE INSPECTION TIME. ANY DEFICIENCIES OR MISSING ITEMS WILL RESULT IN FORFEITURE OF THE APPLICATION FEE AND APPLICANT WILL BE REQUIRED TO REAPPLY FOR A PERMIT.

I have read and understand the requirements of this application.
