### Rules

Have you communicated this program to your community/neighborhood?  Yes  No

If you have an HOA Board, do you have their support/approval/interest?  Yes  No

We want community buy-in - Preference will be given to those communities

(Important Information on back)

**Thank you!**

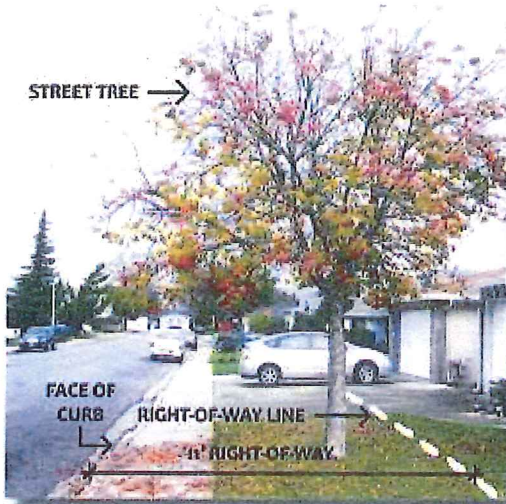

For more information contact Darcy Austin at (970) 254-3861

Application must be received by: March 18, 2016

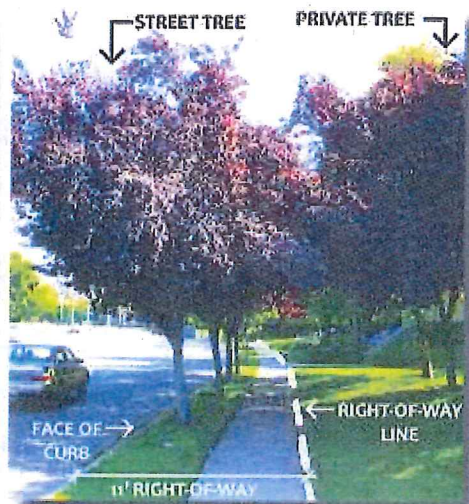

Return to: City of Grand Junction  
2529 High Country Court  
Grand Junction, CO 81501

**PLANTING DATE: April 9, 2016**

- Trees will be planted on right of way easements, common space or parks; no back yards
- Shade trees are planted 40 feet apart and ornamental 20 feet apart, modifications to this are at the discretion of the City
- Tree selection and locations are at the discretion of the City representatives.
- 6Ft. tall Bare root tree, tree gator, and necessary staking is provided free of charge. Tree Gator must be returned in the fall and are property of the City.
- Homeowners are expected to keep water in the tree gators for the first season
- Homeowners must have an automated irrigation system and must be in an established lawn, if the planting space is in turf.
- If planting in rock mulch or wood chips it should be cleared in the proposed planting space prior to planting.
- Trees that are planted in the right of way are property of the City of Grand Junction. As a partnership, the homeowner or HOA is responsible for proper watering and ensuring the health of the tree(s). The City provides pruning, removals, and replacements.

Monolithic Sidewalk - Sidewalk attached to curb

Detached Sidewalk - Sidewalk and curb are separated
