3. CONTAINERS: Four containers are needed to properly sort all materials. Upon request, we provide up to four reusable 22-gallon polypropylene bags at no additional charge with initial sign up. Any additional bags or replacements are \$3.50 each. Bins are also available for purchase. However, we do not require that you use our containers. Storage tubs, laundry baskets, and boxes work just as well. We deliver containers once per week, usually on Friday. They can also be picked up at our office at 333 West Ave. Bldg G, right behind our drop off. **Select from the following three options:**

____ I will be using my own containers, which meet the above requirements.
