

# RESIDENTIAL GUIDELINES

## DUAL STREAM RECYCLING & YARD WASTE

How to prepare:

All materials must be sorted into correct bin before collection. Materials that meet these guidelines will be accepted. If collection occurs in the alley, containers should be placed on the same side of the alley as the trash cans. Recycling and trash cans should be placed at least 3 feet apart from each other and from other objects. Assistance for persons with disabilities is available.

Program pricing is based on the size of the trash can:

- 48 gallon bin: \$11.50 per month
- 64 gallon bin: \$15.75 per month
- 96 gallon bin: \$25.00 per month

Customers may choose to opt-in to receive (2) 64-gallon dual stream recycling bins at no additional charge. Recycling bins are picked up every other week.

Customers may also choose to opt-in to receive a 96-gallon yard waste bin at no additional charge. Yard waste is picked up weekly from April-October.

Recyclables must be out by 7 a.m. on pickup day

Prohibited items:

- Electronics/E-waste
- Batteries of any kind
- Hazardous materials: asbestos, chemicals, oils, paints, cleaners, needles, etc.
- Food waste
- Construction debris/wood
- Medical waste: used gloves/masks, medicine

Contact Mesa County Landfill at 970-256-9543 for options or refer to the Hard-to-Recycle Guide [gjcjcity.org/recycling](http://gjcjcity.org/recycling).

Information, schedules, and route maps are available at [gjcjcity.org/recycling](http://gjcjcity.org/recycling).
